Projects

- **DuoFinance (Gamified Finance App) (Under Development)**
 - ❖ Developed a gamified finance learning app aimed at increasing financial literacy.
- **ConnectHub (Alumni-Student Connect Portal)**
 - ❖ This application offers a range of features to streamline and enhance the student-alumni connection process. The application also entails a profanity detection model.
- **FinTrack (Comprehensive Financial Management)**
 - ❖ Developed a comprehensive financial management web application that helps users track and manage their finances effectively.
- **Bills n Thrills(Personal Finance Tracker)**
 - ❖ Built a personal finance management app with data visualization features, enabling users to track expenses and analyze spending patterns. Increased user retention by 20% through improved UX design.
